Dr. Archana Sharma

Dear Friends,
Greetings from IMA UPCON 2024!

Having the privilege of hosting you all, the organizing team is excited to welcome to The City of Ghaziabad - "Gateway to Uttar Pradesh". The magic of Ghaziabad has always left all spellbound and there are uncountable reasons why our city enjoys the most loved city of all times. The city has its historical roots since 1740 and was associated with the Indian independence movement. Shri Dudheshwar Nath Mandir in Ghaziabad is an ancient Shiva temple popular among Shiva devotees in the Delhi NCR region. The temple houses Shiva in lingam form and it is said to be at least 5000 years old.

Being the largest financial and administrative headquarters of Uttar Pradesh, Ghaziabad is now the Biggest educational Hub with Medical, Dental, Engineering and Management Institutes in India. It forms part of the Delhi NCR (National Capital Region), given its proximity to the national capital, the social life of the rapidly developing town is intertwined with that of Delhi. Other than the queuing traffic, bustling markets and the millennial crowd, Ghaziabad also wakes up to an increasing number of multiplexes, better-planned roads and surpassing flyovers. The city offers excellent infrastructure in terms of excellent connectivity through Hindon Elevated Road, Eastern and Western Peripheral Expressways, Rapid Transit System RapidX, Hindon Airport, Railway Station and Bus Stand.

Attractive residential packages along with registration charges have been negotiated to make your stay affordable and comfortable. We look forward for your active participation and Team UPCON Ghaziabad is waiting with open arms to welcome all with a rousing reception.

Best wishes and Warm regards,
Organizing Team UPCON 2024
